

Standard Special Sized Crossovers

- Constructed of heavy-duty diamond tread aluminum.
- Both lid styles open with two heavy-duty gas shocks.
- Adjustable stainless steel connecting paddle latch system allows access from either side of the truck.
- Each box features a removable aluminum sliding storage tray with dividers, built in end compartment dividers, and convenient screw driver holders.
- Domed, hemmed lids provide superior strength; All lids feature extra support bracing where needed.
- Full rubber automotive grade seal surrounds entire perimeter of lid openings.
- Mounting tape protects and prevents noise.
- Includes mounting hardware; J-hook mounting requires no drilling in side rails.
- Wide & Deep style has double braced flooring, giving extra support for those heavier loads.

Full Lid

Gull Wing

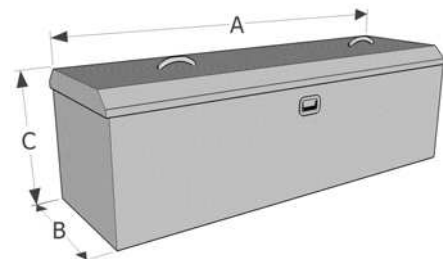

Part number example: TB800FL (full lid) TB800GW (gull wing)
