

**Heavy Duty Side Boxes**

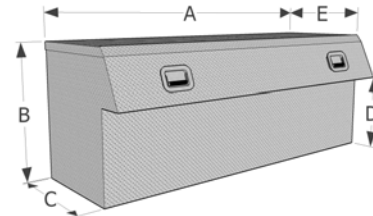

- Low profile boxes mount on truck side rail.
- Constructed of heavy-duty diamond tread aluminum.
- Top-opening lid features a one-touch push-button rotary locking mechanism and two gas shocks.
- Features removable aluminum sliding storage tray with dividers, as well as, additional storage along the front of the box.
- Full rubber automotive grade seal surrounds entire perimeter of lid openings.
- Includes heavy-duty aluminum mounting legs and J-hook mounting kit-requires no drilling in truck side rails.
- Use alone or with cross box. 70" length box works the best in combination with a 20" wide cross box to give you the maximum tool box use on a long bed truck.

Part #	A	B	C	D	E	UPS	Weight
